Part 7: Motions

NOTE: All plans containing motions must be served on all potentially affected creditors, together with a Chapter 13 Plan Transmittal Letter, within the time and in the manner set forth in D.N.J. LBR 3015-1. A Proof of Service must be filed with the Clerk of Court when the Plan and Transmittal Letter are served.

Where a motion to avoid liens or partially avoid liens has been filed in the plan, a proof of claim filed that asserts a secured claim that is greater than the amount to be paid in the plan serves as opposition to the motion, and serves as an objection to confirmation. The proof of claim shall be served in accordance with D.N.J. LBR 3015-6(a). The creditor shall file a proof of service prior to the scheduled confirmation hearing. In order to prosecute the objection, the creditor must appear at the confirmation hearing, which shall be the hearing on the motion. Failure to appear to prosecute the objection may result in the motion being granted and the plan being confirmed pursuant to the terms as set forth in the plan.

4. SECURED CLAIMS

1. Additional Requirements; Sanctions for Failure to Comply

- (a) Itemized Statement of Interest Fees and Expenses. If, in addition to its principal amount, a claim includes interest, fees, expenses or other charges incurred before the petition was filed, an itemized statement of the interest, fees, expenses, or charges shall be filed with the proof of claim. The claim may also include charges pursuant to D.N.J. LBR 2016-1(j)(3).
- **(b) Statement of Cure Amount.** A statement of the amount necessary to cure any default as of the date of the petition and any charges permitted under D.N.J. LB 2016- 1(j)(3) shall be filed with the proof of claim.
- **(c) Escrow Account.** If a security interest is claimed in property that is the debtor's principal residence, and if an escrow account has been established in connection with the claim, an escrow account statement prepared as of the date the petition was filed and in a form consistent with applicable nonbankruptcy law shall be filed with the attachment to the proof of claim.
- (d) Failure to Provide Supporting Information. If the holder of a claim fails to provide any information required by subdivisions (a), (b) and (c) above, the court may, after notice and hearing, take either or both of the following actions:
 - i. preclude the holder from presenting the omitted information, in any form, as evidence in any contested matter or adversary proceeding in the case, unless the court determines that the failure was substantially justified or is harmless, or
 - ii. Award other appropriate relief, including reasonable expenses and attorney's fees caused by the failure.

2. Notice Relating to Claims Secured by Security Interest in the Debtor's Principal Residence

- (a) Notice of Payment Change. If a claim secured by a security interest in the debtor's principal residence is provided for under the debtor's plan pursuant to § 1322(b)(5) of the Code, the holder of the claim shall file and serve on the debtor, debtor's counsel, and the trustee a notice of any change in the payment amount, including any change that results from an interest rate or escrow account adjustment, no later than 21 days before a payment at a new amount is due.
- **(b) Form and Content.** The Local Form designated as Notice of Payment Change may be filed and served. The notice shall not be subject to Rule 3001(f).
- (c) Notice of Fees, Expenses and Charges. If a claim secured by a security interest in the debtor's principal residence is provided for under the debtor's plan pursuant to § 1322(b)(5) of the Code, the holder of the claim shall file and serve on the debtor, debtor's counsel, and the trustee the Local Form designated as Notice of Fees, Expenses and Charges itemizing all fees, expenses, or charges, incurred in connection with the claim (i) after the bankruptcy case was filed, and (ii) that the holder asserts are recoverable against the debtor or against the debtor's principal residence. The notice shall be served within 180 days after the date on which such fees, expenses, or charges are incurred.
- (d) Determination of Fees, Expenses and Charges. On motion of the debtor or trustee filed within one year after service of the notice required by subdivision (c) above, the court shall, after notice and hearing, determine whether payment of the fees, expenses, or charges is required by the underlying agreement and applicable nonbankruptcy law to cure the default or maintain payments in accordance with § 1322(b)(5) of the Code.
- (e) Response to Notice of Fees, Expenses and Charges. If the debtor does not object to the Notice of Fees, Expenses and Charges, or if the debtor's objection is overruled, the debtor shall either 1) pay all post petition amounts included in the Notice of Fees, Expenses and Charges; 2) enter into an agreed order allowing the claim (to be paid by the Trustee); or 3) take no action and the amounts claimed shall be deemed allowed, but will not be paid

by the Trustee and will not be deemed to have been paid upon closure or conversion of the case.

- **(f) Application of Payments.** The holder of a claim secured by a security interest in the debtor's principal residence shall apply payments from the Trustee to arrears being cured and payments from the debtor to maintain post-petition monthly payments.
- (g) Notice of Final Cure Payment. Within 30 days of the debtor completing all payments under the plan, the trustee shall file and serve upon the holder of the claim, the debtor, and debtor's counsel a Local Form, Notice of Final Cure Payment stating that the debtor has paid in full the amount required to cure any default on the claim. The notice shall also inform the holder of its obligation to file and serve a response under subdivision (h). If the debtor contends that final cure payment has been made and all plan payments have been completed, and the trustee does not timely file and serve the notice required by this subdivision, the debtor may file and serve the Notice.

Within 21 days after service of the notice under subdivision (g), the holder shall file and serve on the debtor, debtor's counsel, and the trustee a Local Form, Statement in Response to Notice of Cure Payment indicating whether (1) it agrees that the debtor has paid in full the amount required to cure the default on the claim, and (2) the debtor is otherwise current on all payments consistent with § 1322(b)(5) of the Code. The statement shall itemize the required cure or postpetition amounts, if any, that the holder contends remain unpaid as of the date of the statement. The Statement shall not be subject to Rule 3001(f).
- (i) Determination of Final Cure Payment. On motion of the debtor or trustee filed within 21 days after service of the statement under subdivision (h) above, the court shall, after notice and hearing, determine whether the debtor has cured the default and paid all required postpetition amounts.
